

A GREAT School for You!

Ngongotaha School

KIDZONE

TERM: 1 ISSUE: 3 DATE: 9/3/2023

It is nearly here! Gala day is only a week away. Thanks again to everyone who has supported us. I can not wait to see the entire Ngongotaha community here on Friday the 17th at 4pm to celebrate and enjoy some yummy food and fun activities. Check out the insert in this Kidzone for a map of all the activities and a list of some of our sponsors.

We have been looking for a new uniform supplier for quite some time now. We have researched several different suppliers over the past year and have finally settled on Legend Sportswear. As of Term 1 2024 we will have a completely new school uniform- same colours but a more modern design. We are just finalising what it will look like and then I will be able to show everyone what it's going to be. To allow us to faze out the old uniform quicker, the BOT have agreed to purchase a 'basic kit' for every student enrolled at our school consisting of polo, jersey and bottoms (either skorts or shorts). Whanau are then able to buy trackpants, scarves, hats or additional polos directly from the school office if they wish. This 'basic kit' will be supplied at the end of the year to all enrolled students in readiness for 2024. Prices are very competitive (we are currently paying \$60 for a pair of skorts which will be \$38 from Legend, jerseys which are currently \$55 will be \$45) It is a very exciting time, keep an eye out later in the year for more information.

Thank you to everyone who came down and supported our children during the Triathlon. An exciting day for everyone despite the weather trying its best to ruin our fun. Congratulations to everyone who took part. Have a look at the photos on the following page to see if you can spot your child.

Our junior school playground has had a bit of an upgrade in the past few weeks. The playground itself is still heaps of fun so we have just installed a few new pieces to ensure that it remains fun while being safe. A junior school swing is also been installed for our little ones to enjoy. In addition to this, we have installed two new pieces to the musical playground. Since its installation, the musical playground has been a real hit with the kids. Hopefully the new additions can support our tamariki to grow a love of music.
